COPYEDITING EXCELLENCE

Lush provides a comprehensive range of copyediting services tailored to meet the unique needs of our clients. Whether you require basic copyediting, line editing, or extensive editing, we have you covered. Our expertise spans various domains including STM projects and Humanities.

We understand the importance of personalization, which is why we offer a flexible workflow that allows clients to specify their preferred style, like the Chicago Manual of Style, 17th Ed. At Lush, we are committed to delivering exceptional service that is both swift and of impeccable quality.

PROOFREADING

At Lush, our proofreading services are meticulously designed to ensure your manuscript meets the highest standards of quality and consistency. We meticulously review and edit presented proofs to ensure compliance with style guidelines, consistent formatting, and uniform use of terminology throughout the document.

Whether it's books, journals, or author manuscripts, our team of skilled proofreaders is adept at handling any assignment with precision and expertise. At Lush, our goal is to consistently deliver the highest quality results to our clients.

Our comprehensive proofreading process includes the following:

- Correcting spelling errors and typos
- Rectifying grammatical errors for clarity and precision
- Ensuring overall coherence and sense in the text
- Word-by-word content matching, as needed
- Analyzing text for style consistency, including font size, headings, pagination, and layout
- Ensuring proper page flow and design
- Addressing hyphenation at the end of lines

REFINED INDEXING SERVICES

Indexing plays a pivotal role in enhancing the usability and quality of a book, serving as a key tool for readers to navigate its content effectively. At Lush, we understand the significance of a well-crafted index and offer a suite of indexing services tailored to meet your needs.

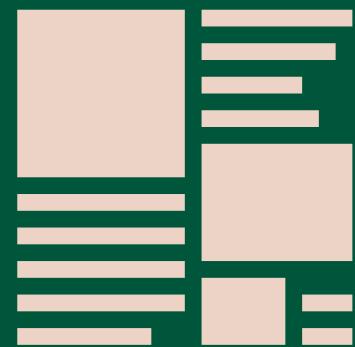

Our team of proficient indexers possesses a deep understanding of various subject matters, enabling them to intuitively extract subject-specific entries with precision and efficiency. At Lush, we are dedicated to delivering indexing solutions of the highest quality to enhance the overall value of your publication.

Our indexing services encompass:

- Generation of relevant keywords to facilitate easy navigation
- Accurate insertion of corresponding page numbers for each entry
- Thorough review of page flow to ensure coherence
- Expertise in handling revised editions for seamless updates
- Custom formatting and styling of the index to align with customer preferences

Generation

EPUB and XML
Services

COMPOSITION SERVICES

Our adaptable typesetting and composition solutions ensure a polished appearance for your titles. Leveraging an XML-first workflow, we provide typesetting through LaTeX and InDesign for print books and e-books. We expertly handle source files in MS Word, PDF, or hard copy format to create publication-ready files tailored to your specifications. Our skilled compositors typeset in multiple languages while preserving linguistic integrity.

E-BOOK GENERATION

We offer comprehensive e-book conversion and production services to transition content into digital formats. Our data conversion process accepts various input formats, resulting in output files in multiple formats. Additionally, we specialize in crafting e-books with read-aloud narration, synchronizing professionally narrated audio with text. Each word is highlighted as it's read aloud, enhancing accessibility and reader engagement.

No matter how complex the input, our workflow allows the rendering of any input into:

- Optimized EPUB3
- Accessible EPUB
- Enhanced EPUB
- Fixed-layout EPUB
- Kindle EPUB fixed-layout KF8
- Enhanced fixed-layout EPUB

EPUB AND XML SERVICES

We specialize in converting your content into EPUB and XML formats, which are widely utilized for e-books and online publishing. Our expertise extends to creating custom EPUB and XML solutions tailored to your specific requirements and preferences.

Conversion Expertise

We seamlessly convert your content into EPUB and XML formats, ensuring compatibility with various platforms and devices.

Custom Solutions

Our team crafts custom EPUB and XML solutions to precisely meet your unique needs and preferences, offering flexibility and scalability.

Industry Standards

We adhere to industry guidelines so that your content meets the required standards for seamless integration.
